### HUMBOLDT'S LEGISLATIVE NOMINEES.

The Democrats of Humboldt county nominated Judge M. S. Bonfield for the State Senate and B. F. Riley, C. E. Brown and W. C. Noteware for Assemblymen. They are supposed to be independent on the United States Senatorship.—Reno Gazette.

The Gazette is to be congratulated on having given the names of the Democratic legislative nominees of this county correctly. This was doubtless an accident. But there the truth stops and the quoted paragraph ends with a contemptible, characteristic Gazette lie. We refer the Gazette prevaricator and all others of his class to the following extract from the platform adopted by the Humboldt Democratic county convention, and which was indorsed by all the legislative nominees, for the proof as to their real attitude on the Senatorship:

We pledge our legislative nominees to the unqualified support of the candidacy of Hon. Francis G. Newlands for United States Senator. We pledge our nominee for State Senator to enter the anti-Republican caucus of the Legislature assembling in January, 1905, and to vote for the nominee of such caucus.

Any statement which the Gazette or sorehead candidates may make will not detract in any way from the convention's indorsement of Mr. Newlands, nor weaken the pledge given by the candidates for the Legislature to support him for United States Senator.

But in the name of common decency the Gazette ought to retract the lie which it has published regarding this matter and to make an effort in the future to tell the truth, at least occasionally.

### Republicans Claim Everything.

The Republicans are claiming everything in sight. According to their way of seeing things Cleveland, Hawley, Farrington and their whole State ticket is already elected by several thousand majority. Taking their view of the situation it is folly for any Democrat to aspire to any office in the State. But, then things are not always what they seem. There will be a rude awakening after the ballots are cast and counted in November. Instead of their occupying the luxurious offices at Carson and being the accredited representatives of Nevada to the Congress of the United States, they will be going up Salt river on their biennial trip. It will be a new experience for Judge Hawley, but Farrington and Cleveland have been there before and will pilot the craft. Let the boys laugh and be merry now, for the time cometh rapidly when weeping and gnashing of teeth will take the place of hilarity. There is a time for all things, and now is the time for the Republicans of Nevada to brag, bluster and crow.—Elko Independent.

### New Nevada Companies.

Oro Fino Mining Company; capital stock, \$75,000; place of business, Reno.

Tonopah Consolidated Water Company; capital stock, \$500,000; place of business, Tonopah.

Victor Windmill Manufacturing Company; capital stock, \$100,000; place of business, Carson.

Mines, Finance and Improvement Corporation Ltd.; capital stock, \$400,000; place of business, Reno.

### Passenger Assaults Porter.

An affray occurred between a passenger named Grimstead and a Pullman porter on train No. 6 in the eastern part of the State Friday. Mr. Grimstead resented what appeared to him as a too familiar remark which the colored man addressed to his wife, and he immediately shied a footstool at the porter's head to the discomfort of that individual.

The negro pulled a weapon and started for Grimstead when a number of passengers interfered and the two men were separated. When the train arrived in Ogden, Grimstead was placed under arrest at the instance of Detective Dan Fitzpatrick, and taken to the station house, where he was placed under \$5 bail, which he deposited and left on the next train for the East.

### County Conventions.

The Storey county Republicans have nominated Con A. Ahern for State Senator and J. D. R. Corbett, William Dunn, L. Hanson and Ed. Beckwith for Assemblymen.

The Republicans of Esmeralda county have nominated Sol M. Summerfield for State Senator and P. J. Conway and Mark Averill for Assemblymen.

### Governor Jones' Widow Married.

At Still water, Churchill county, September 10th, W. H. Sifford and Mrs. J. E. Jones of Carson were married. The groom is Deputy County Clerk of that county. The bride is the widow of the late Governor J. E. Jones.

### A Starving Billionaire.

One of the richest men in the world, worth almost a billion dollars, is starving to death, because his stomach has become weakened through worry and anxiety in looking after his immense fortune. His digestion is destroyed and the stomach cannot therefore assimilate nourishment. What avail is wealth when your health is gone. If your stomach is in a similar condition, no matter from what cause, commence taking Hostetter's Stomach Bitters at once. It is Nature's own remedy for the stomach and will restore the appetite, perfect the digestion and cure belching, flatulency, dyspepsia, constipation, biliousness and liver and kidney troubles. The genuine is for sale by all druggists and has our Private Stamp over the neck of the bottle.
